

Product description

The uTypia Copy Shop Module is the professional way to sell printed matter online. You can offer your customers an easy-to-use order process to place their orders quickly and comfortably via internet. No matter if you are running a copy shop or if you are selling printed matter next to a more diverse product range, the uTypia copy shop module could be the ideal tool to facilitate the order process for you and your customers.

The screenshot displays a web interface for ordering a flyer. At the top, there is a navigation bar with 'HOME', 'CATALOGUE', 'PRODUCT SEARCH', and 'HELP'. Below this is a search bar and a 'Your basket (0 items)' indicator. The main content area is titled 'Settings' and shows a 'Flyer' product. On the left, there is a thumbnail of a flyer and a price of € 5.04 (excl. VAT). The main area contains a form with the following fields:

- Quantity:** 1
- Pages:** 1
- Prints = Quantity x Pages:** 100
- Paper format (open):** A4
- Impression front side (more info):** Black/white
- Impression back side (more info):** without
- Type of paper (more info):** Laser paper - white
- Paper Grammage (more info):** 80g/gm
- Folding (more info):** No
- Sample pre-print (more info):** No

How it works

Your customer specifies the desired printing product online, the system checks the uploaded files online and automatically calculates the prices. You receive an output file for digital printing.

Features

- Upload of documents in the most common office formats
- Integrated price calculation tool
- Check of the fonts in the document
- Online check of the number of pages and the quality of the images
- Pdf preview
- Producer receives output file for digital printing
- Copy shop solution also obtainable with uTypia Print Module (with WYSIWYG function)
- Miscellaneous product ranges possible

Advantages

The software is adequate for both your endconsumers and your bigger business clients. The main advantages are:

- Fast and easy order process
- Existing and potential customers can order 24/7
- Less errors and claims
- Potential to save time and money

Target group

No matter if you are running a copy shop, a print company or if you are selling printed matter next to a more diverse product range, uTypia Web2Print Copy Shop could be the ideal tool to facilitate the order process for you and your customers.
